

**Accelerate Corporate Social Responsibility Policy****Policy Brief and Purpose**

CSR is defined as the integration of business operations and values, whereby the interests of all stakeholders including investors, customers, employees, the community and the environment are reflected in the Company's policies and actions.

Commitment and Aims

Accelerate is committed to:

- Continuous improvement in our Corporate and Social Responsibility (CSR) strategy by:
- Encouraging our business partners to implement CSR ;
- Continually improving our performance and meeting all applicable legislation;
- Informing our staff to be mindful of the effect of their actions on non-renewable resources;
- Introducing procedures to assist with implementing CSR.

The CSR policy makes clear to all stakeholders what Accelerate means by CSR and how Accelerate proposes to work towards implementing and achieving CSR.

The CSR policy applies throughout all activities of the company.

Accelerate recognises that CSR embraces all aspects of sustainable development and social issues which are of most relevance to Accelerate and, decide at what stage this CSR policy could most effectively and legally be included.

- Accelerate shall operate in a way that safeguards against unfair business practices;
- Accelerate believes that a responsible approach to developing relationships between companies and communities they serve, national and international, is a vital part of delivering business success;
- When carrying out our business, Accelerate will determine the environmental, social and economic issues;
- Accelerate will continually review all policies and business practices to encourage engagement with business partners and to promote development.

Corporate Governance

Accelerate is committed to ensuring that our business is conducted in all respects according to rigorous ethical, professional and legal standards

- All the laws that regulate and apply will be complied with;
- Accelerate will endeavour to ensure that stakeholders have confidence in the decision-making and management processes of the service provided, by the conduct and professionalism of all staff. Accelerate does this by continually training and developing our staff;
- All groups and individuals with whom Accelerate have a business relationship will be treated in a fair, open and respectful manner;
- Competition will be reasonable and based upon the quality, value and integrity of the services being supplied;
- Feedback on performance will be actively sought and, Accelerate will encourage customers to give feedback on our performance and ensure that all customer comments are analysed, responded to and where appropriate, acted upon;
- An Action Plan will be developed to ensure continuous improvement is achieved.

Environment

Accelerates objective is to endeavour to reduce the impact on the environment through a commitment to continual improvement;

- Accelerate will continue to work with our partners to reduce their impact on the environment;
- Accelerate will by applying Responsible Care to all activities, assess the environmental impact and report against these findings, reporting openly to all stakeholders.

Human Rights

Accelerate aims to support and respect the protection of internationally proclaimed human rights.

- All partners are actively encouraged to observe international human rights norms within their work;
- It's a mandatory requirement for all stakeholders whom have a business relationship with Accelerate to operate a Modern Day Slavery Policy.
- Accelerate aims to eliminate discrimination based on any grounds (race, creed, colour or religion) and, to promote equality of opportunity in the transport logistics supply chain;

Sustainability

A Sustainable Policy for procurement of services will be maintained that will set out the principles, policies and procedures within the Company.

Ethics and Ethical Trading

Accelerate will ensure clear visibility through the utilised supply chains to know where products are being moved from and to.

- Training will be provided to relevant people on environmental and social issues affecting the logistics supply chains;
- Accelerate will ensure that partners uphold the workplace standards and behaviours consistent with the Company's requirements;
- A documented environmental and social assessment will be undertaken for every new contracted partner;
- Accelerate is committed to ensuring that the welfare of workers and labour conditions within the logistics supply chain meet or exceed recognised standards;
- Accelerate holds regular meetings with partners to support these ideas;
